

Debar Mountain Wild Forest - Skiff Pond Trail

Skiff Pond Trail extends 2.8 miles from the eastern Debar Trailhead and reconnects with the Debar Trail approximately 2.3 miles west of the trailhead. The trail descend and ascends three times, all less than 100 feet, before descending to the Debar Trail. The trail passes Skiff Pond and the primitive tent site along its shore. Skiff Pond offers scenic views of the pond and surrounding mountains.
